

Gordon R. Garry

Director of Research and Analysis
Sacramento Area Council of Governments

I have been at SACOG since 1990. Responsibilities include the development and application of travel demand and land use models in regional planning applications, application of vehicle emissions models for air quality conformity analyses, and management of regional data and GIS programs.

Previously I worked at the City of Santa Rosa, CA Traffic Engineering Dept. (1987-1990), SRF Consulting, Inc. in Minneapolis, MN (1984-1987), and the South Dakota Department of Transportation (1977-1981).

Education: Master's in City and Regional Planning from the John F. Kennedy School of Government, Harvard University (1983) and a B.S. in economics from South Dakota State University (1976).
